CRAZY FOR DOGS

STORY & ART BY YUKIYA SAKURAGI

INUBAKA

CRAZY FOR DOGS

THE HUNT IS ON!

All alone except for her loyal mutt, Lupin, 18-year-old Suguri moves from the countryside to the big city to find a job and a new life. In her first job at a pet store, she meets an assortment of quirky dogs and even stranger owners! What she lacks in retail experience, she makes up for through her natural rapport with all things wagging and fluffy!

Worried that she's been far too lenient with Lupin, Suguri starts him on a strict training regimen. But then Lupin disappears, and Suguri blames herself. When standard search methods fail, it's time for some creative problem solving. With a little luck and a little talent she just might be able to find her precious pooch!

Story thus far

Tappai is the manager of the recently opened pet shop Woolies. He intended to breed his black Labrador Nita with a champion dog, but instead Nita was "taken advantage of" by an unknown and unfixed male dog!

The unknown dog's owner was Suguri Miyoshi and her dog was a mutt named Lupin. Suguri is now working at Woolies to make up for her dog's actions.

Suguri's enthusiasm is more than a little unique. She has eaten dog food (and said it was tasty), caught dog poop with her bare hands, and caused dogs to have "happy pee" in her presence. Tappai is starting to realize that Suguri is indeed a very special girl.

Woolies has a new employee named Manoko Tobauchi. She specializes in grooming and is truly an asset to the team. She's yet another stray taken in by the big-hearted Tappai.

CHARACTERS

Suguri Miyauchi

She seems to possess an almost supernatural connection with dogs. When she approaches them they often urinate with great excitement! She is crazy for dogs and can catch their droppings with her bare hands. She is currently a trainee at the Whisker Pet Shop.

Everybody's Crazy for Dogs!

From Tsubata-san in Kanagawa prefecture

**🐾 Milky-kun (Pomeranian)**

*Milky-kun is quite affectionate. Even on hot summer days he stays right beside his owner as the owner says "heoooooot!" with a smile and a speed-out look on his face. His hair sticks to you when you're sweaty and can get pretty itchy, but I'm sure Milky-kun will keep on being affectionate.*

**Toshiya Sakuragi**

*I was surprised. He looks like my dog.*

**Elenc (30)** White Pomeranians are so adorable! When they have clothes on, they turn into little lions, but that's part of their charm.

From Kotori Meo-san in Saitama prefecture

**🐾 Lilyn-chan and Kozakura-chan (Mitties and a long-haired Chihuahua)**

*Lilyn-chan and Kozakurachan wear matching outfits when they go out. Sometimes they fight, but they are close sisters. They're so close that they often cooperate in mischief!*

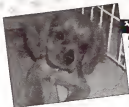

**Toshiya Sakuragi**

*Without a doubt, they look like sisters! ♡*

*So cute... (30) I'm sure these pretty sisters are popular with the neighbors.*

**Shikharu**  
(Devil King Charles spaniel)

He is a very active dog and  
loves to tug on his rope  
toy. Because of his ruby  
dark brown colored coat,  
he's often mistaken for a  
miniature doberman. But  
we love him, so it doesn't  
bother Shikharu.

**Yukiko Sakurai**

"When I first saw this picture, I thought he was a doberman-  
He's so cute!"

The hair ornament looks  
lovely on her. She's also very  
smart. When you talk to  
her, she will tilt her head  
from side to side intently  
like she's trying to under-  
stand. Just adorable.

**Yukiko Sakurai**

Here it all! The summer hands for Pomeranian Super cute!  
You can't help but want to touch that fluffiness. My dog also tilts his head  
when I ask, "Are you hungry?" It's the cutest thing.
